

# Index by Part Number

|                                  |                                      |                                  |                                         |
|----------------------------------|--------------------------------------|----------------------------------|-----------------------------------------|
| <a href="#">0402CS</a> .....     | Chip Inductors                       | <a href="#">DO3308P</a> .....    | SMT Power Inductors                     |
| <a href="#">0603CS</a> .....     | Chip Inductors                       | <a href="#">DO3316P</a> .....    | SMT Power Inductors                     |
| <a href="#">0805CS</a> .....     | Chip Inductors                       | <a href="#">DO3316P-HC</a> ..... | SMT Power Inductors                     |
| <a href="#">0805HQ</a> .....     | Chip Inductors                       | <a href="#">DO3340P</a> .....    | SMT Power Inductors                     |
| <a href="#">0805HS</a> .....     | Chip Inductors                       | <a href="#">DO5022P</a> .....    | SMT Power Inductors                     |
| <a href="#">0805HT</a> .....     | Chip Inductors                       | <a href="#">DO5022P-HC</a> ..... | SMT Power Inductors                     |
| <a href="#">0906-X</a> .....     | Micro Spring™ Air Core Inductors     | <a href="#">DS1608BL</a> .....   | Backlight Power Inductors               |
| <a href="#">1008CS</a> .....     | Chip Inductors                       | <a href="#">DS1608C</a> .....    | SMT Power Inductors                     |
| <a href="#">1008CT</a> .....     | Chip Inductors                       | <a href="#">DS3316P</a> .....    | SMT Power Inductors                     |
| <a href="#">1008HQ</a> .....     | Chip Inductors                       | <a href="#">DS5022P</a> .....    | SMT Power Inductors                     |
| <a href="#">1008HS</a> .....     | Chip Inductors                       | <a href="#">DT1608C</a> .....    | SMT Power Inductors                     |
| <a href="#">1008HT</a> .....     | Chip Inductors                       | <a href="#">DT3316P</a> .....    | SMT Power Inductors                     |
| <a href="#">1008LS</a> .....     | Chip Inductors                       | <a href="#">E349X-A</a> .....    | Common Mode Line Chokes - EE Styles     |
| <a href="#">1206CS</a> .....     | Chip Inductors                       | <a href="#">E350X-A</a> .....    | Common Mode Line Chokes - EE Styles     |
| <a href="#">132</a> .....        | Fixed RF Inductors                   | <a href="#">F55XX-A</a> .....    | Common Mode Line Chokes                 |
| <a href="#">132-XXSM</a> .....   | Maxi Spring™ Air Core Inductors      | <a href="#">G642X-A</a> .....    | Mag Amp Toroids - G642X Series          |
| <a href="#">142</a> .....        | 10mm Tunable Coils                   | <a href="#">H276XX</a> .....     | HDSSL2 transformers                     |
| <a href="#">143</a> .....        | 10mm Tunable Coils                   | <a href="#">HCT</a> .....        | Toroidal Power Inductors                |
| <a href="#">144</a> .....        | 10mm Tunable Coils                   | <a href="#">HD67XX</a> .....     | HDSSL transformers                      |
| <a href="#">146</a> .....        | 7mm Tunable RF Inductors             | <a href="#">LPO2506</a> .....    | Power Wafer™ Inductors                  |
| <a href="#">148</a> .....        | Tunable RF Inductors                 | <a href="#">LPT1606</a> .....    | Power Wafer™ Inductors                  |
| <a href="#">150</a> .....        | 7mm Tunable RF Inductor              | <a href="#">LPT3305</a> .....    | Power Wafer™ Inductors                  |
| <a href="#">164</a> .....        | 5mm Tunable RF Inductor              | <a href="#">M2022-A</a> .....    | Common Mode EMI/RFI Filters             |
| <a href="#">165</a> .....        | 5mm Tunable RF Inductor              | <a href="#">N288X</a> .....      | Power Factor Controller Transformers    |
| <a href="#">1606-X</a> .....     | Micro Spring™ Air Core Inductors     | <a href="#">P32XX-A</a> .....    | Common Mode Line Chokes                 |
| <a href="#">1812CS</a> .....     | Chip Inductors                       | <a href="#">P3717-A</a> .....    | Combination Line Filter Choke           |
| <a href="#">1812LS</a> .....     | Chip Inductors                       | <a href="#">P3LP</a> .....       | Low Pass LC Filter Modules              |
| <a href="#">1812SMS</a> .....    | Midi Spring™ Air Core Inductors      | <a href="#">P7LP</a> .....       | Low Pass LC Filter Modules              |
| <a href="#">1812WBT</a> .....    | SM Wide Band RF Transformers         | <a href="#">PCH-27.45</a> .....  | Axial Lead Power Chokes                 |
| <a href="#">37-1409</a> .....    | Trituner 3-in-1 Tuning Wrench        | <a href="#">PCRJ</a> .....       | Shielded Jacks                          |
| <a href="#">7M2</a> .....        | Slot Seven 7mm Tunable Inductors     | <a href="#">PCV-0</a> .....      | Power Chokes - Vertical Mount           |
| <a href="#">7M3</a> .....        | Slot Seven 7mm Tunable Inductors     | <a href="#">PCV-1</a> .....      | Power Chokes - Vertical Mount           |
| <a href="#">90</a> .....         | Axial Lead Chokes                    | <a href="#">PCV-2</a> .....      | Power Chokes - Vertical Mount           |
| <a href="#">A0XT</a> .....       | Mini Spring™ Air Core Inductors      | <a href="#">Q4007-A</a> .....    | Combination Line Filter Choke           |
| <a href="#">AXL-A</a> .....      | Test Fixture - Axial Lead Components | <a href="#">Q4018-A</a> .....    | Combination Line Filter Choke           |
| <a href="#">BXXT</a> .....       | Mini Spring™ Air Core Inductors      | <a href="#">Q4470-B, C</a> ..... | RS-232/RS-485 Isolation Transformer     |
| <a href="#">CCDLF</a> .....      | Surface Mount Data Line EMI Filters  | <a href="#">RDL-A</a> .....      | Test Fixture - Radial Lead Components   |
| <a href="#">CS1XXX</a> .....     | Current Sensors                      | <a href="#">S3HP</a> .....       | Surface Mount LC Filters                |
| <a href="#">CS2106</a> .....     | 50/60 Hz Current Transformer         | <a href="#">S3LP</a> .....       | Surface Mount LC Filters                |
| <a href="#">CS4XXXV</a> .....    | Current Sensing Transformers         | <a href="#">S5394-C</a> .....    | RS-232/RS-485 Isolation Transformer     |
| <a href="#">CS60-010</a> .....   | 50/60 Hz Current Sensor              | <a href="#">S5499-A</a> .....    | RS-232/RS-485 Isolation Transformer     |
| <a href="#">CS60-XXX</a> .....   | 50/60 Hz Current Sensors             | <a href="#">SD250</a> .....      | Base/Gate Driver Transformers           |
| <a href="#">D18XX</a> .....      | Current Sensors                      | <a href="#">Slot Ten</a> .....   | Slot Ten 10mm Tunable Inductors         |
| <a href="#">DC1012</a> .....     | Power Inductors                      | <a href="#">SMD-A-D</a> .....    | Test Fixtures - SMD Components          |
| <a href="#">DLF</a> .....        | Data Line EMI Filters - Leaded       | <a href="#">T6437-A</a> .....    | RS-232/RS-485 Isolation Transformer     |
| <a href="#">DLFC</a> .....       | RS-232 EMI Filter Modules            | <a href="#">T6650-A</a> .....    | RS-232/RS-485 Isolation Transformer     |
| <a href="#">DMT</a> .....        | Output Power Chokes - Toroid Style   | <a href="#">TRF-RJ</a> .....     | Modular Jack EMI Filters                |
| <a href="#">DO1606T</a> .....    | Power Wafer™ Inductors               | <a href="#">TRF</a> .....        | Tip/Ring Common Mode Filters            |
| <a href="#">DO1607BL</a> .....   | Backlight Power Inductors            | <a href="#">TTDLF</a> .....      | Surface Mount Data Line EMI Filters     |
| <a href="#">DO1607C</a> .....    | SMT Power Inductors                  | <a href="#">TTTRF</a> .....      | Surface Mount Tip/Ring Filters          |
| <a href="#">DO1608C</a> .....    | SMT Power Inductors                  | <a href="#">TTWB</a> .....       | Surface Mount Wide Band RF Transformers |
| <a href="#">DO1813P-HC</a> ..... | SMT Power Inductors                  | <a href="#">U6982-C</a> .....    | RS-232/RS-485 Isolation Transformer     |
|                                  |                                      | <a href="#">WB10XX</a> .....     | Wide Band RF Transformers               |
|                                  |                                      | <a href="#">WB20XX</a> .....     | Wide Band RF Transformers               |
|                                  |                                      | <a href="#">WB30XX</a> .....     | Wide Band RF Transformers               |
